

Last Updated: 23/08/2025

1. Eligibility

The App is designed for children **aged 5–14**, but a **parent/guardian must create and manage the account**.

2. Parental Responsibilities

- Parents are responsible for giving **consent** and supervising use.
 - Parents must ensure the information provided is accurate.
 - Parents agree to review their child's entries responsibly, respecting their privacy.
-

3. Usage Rules

- The app is for **emotional wellbeing & education purposes only**.
 - No abusive, harmful, or illegal content may be entered.
 - The app cannot be used for marketing, ads, or non-childcare activities.
-

4. Data Rights

- Parents own the child's data and may request access or deletion anytime.
 - If consent is withdrawn, the child's account will be deleted.
-

5. Limitation of Liability

The App provides **wellbeing support only** and is **not a medical service**.

For mental health concerns, please consult a licensed healthcare professional.

6. Changes to Terms

We may update these Terms & the Privacy Policy. Parents will be notified of major changes via email or in-app alert.
